

WhiteSpace Health Names New President and CEO

Boca Raton, FL – March 30, 2021 - The [WhiteSpace Health](#) board of directors has announced the appointment of [Gautam Char](#) to the role of president and CEO.

A seasoned business leader skilled in health information technology and revenue cycle management, Mr. Char has a wealth of experience bringing products to market and rapidly growing companies. "He is known for building high performance teams that create valuable products and solutions for customers." according to Sumithra Gomatam, chairperson of WhiteSpace Health's Board of Directors and a senior leader with Goldman Sachs Merchant Banking Division Strategic Advisory Group. "Gautam Char's talent for collaborating with customers and his industry knowledge will ensure WhiteSpace Health is well positioned for rapid growth and expansion of the product portfolio."

"I am thrilled to join WhiteSpace Health and I look forward to working with our strong leadership team, customers and partners as we guide the company to the next phase of rapid growth." Stated Mr. Char. "Our Practice Analytics Solution is currently a leading platform for the provider segment, and we are expanding the portfolio to realize the opportunities identified through analytics."

Most recently, Mr. Char was President of Healthcare at Kriya Capital, an investment firm with a healthcare portfolio that includes patient and RCM products, and services for providers. Prior to that, Char spent over a decade at IKS Health as Chief Operations and Technology Officer.
